

PROJECT FOR NAPOLEONIC NETWORK

As part of the challenge launched by the municipality of Almeida to present a proposal for a work project to be carried out with the cities included in the European Federation of Napoleonic Cities, We Are Sports presents the **Napoleadas**, which, as the name suggests, is an association between the Olympic Games and Napoleon Bonaparte.

To present this proposal, the choice of method fell on the 5W2H Quality Tool. Through the application of this tool that works as a kind of checklist composed of seven specific questions (What, Why, Where, When, Who, How, How much), we intend to clarify and clear out doubts regarding the proposal for work to be carried out with the European Federation of Napoleonic Cities.

WHAT: what will be done?

NAPOLEADAS - Intergenerational recreational/sports games of the European Federation of Napoleonic Cities.

WHY: why will it be done?

To provide moments of fraternization for people from different countries, through the Olympic spirit that aims to minimize social and cultural differences between nations, bringing them together through concord, the spirit of conquest and sporting competition, valuing the historical dimension of Napoleon Bonaparte's influence in these territories.

WHERE: where will it be done?

In Portugal, in the district of Guarda, in the municipality of Almeida with the collaboration of the municipality of Torres Vedras.

WHEN: when will it be held?

Held in May 2024 as part of the commemorations of the death of Napoleon Bonaparte, with the following schedule:

2022 – Presentation of the project (2nd - semester);

2023 - Presentation, evaluation, and approval of application (1st - semester);

2023 – Napoleon hat route, symbolizing an Olympic torch, through the countries until reaching the organizing country. This route will be accompanied by preparatory meetings

in each country in order to enable the establishment of participation protocols with all member countries. (2nd - semester);

2024 – Activity completion and delivery of final report (1st - semester).
